

Listing of Claims:

1. (Previously amended) A hand-held calculator comprising a processor, memory, and a medium storing software that causes the processor to perform the following steps:
 - a. create a time management entry in a time management application;
 - b. attach a file stored in the memory to the time management entry; and
 - c. display the file on a display of the hand-held computer device calculator.
2. (Previously amended) The hand-held calculator of claim 1 wherein the time management entry is an appointment in the time management application.
3. (Previously amended) The hand-held calculator of claim 1 wherein the time management entry is a task in the time management application.
4. (Previously amended) The hand-held calculator of claim 3 wherein the time management application is a calendar, and wherein the task is listed in an assignments due list managed by the calendar time management application.
5. (Previously amended) The hand-held calculator of claim 4 wherein time periods in the calendar time management application are class periods.
6. (Previously amended) The hand-held calculator of claim 1 wherein the attached file's association with the time management entry is indicated with a graphical icon in the application near the time management entry.
7. (Previously amended) The hand-held calculator of claim 6 wherein a user is able to activate the application associated with the attached file and view the attached file by selecting the graphical icon.
8. (Previously amended) A hand-held calculator comprising:
 - a display;
 - a processor;

a memory coupled to the processor; and
a storage medium coupled to the processor including a software program that, upon execution:

- i. creates a time management entry in a time management application;
- ii. attaches a file stored in the memory to the time management entry;

and

iii. displays the file on the display of the hand-held computer device calculator.

9. (Previously amended) The hand-held calculator of claim 8 wherein the time management application is a calendar, and wherein the time management entry is an appointment in the calendar time management application.

10. (Previously amended) The hand-held calculator of claim 8 wherein the time management application is a calendar, and wherein the time management entry is a task in the calendar time management application.

11. (Previously amended) The hand-held calculator of claim 10 wherein the task is listed in an assignments due list managed by the calendar time management application.

12. (Previously amended) The hand-held calculator of claim 11 wherein time periods in the calendar time management application are class periods.

13. (Previously amended) The hand-held calculator of claim 8 wherein the attached file's association with the time management entry is indicated with a graphical icon in the application near the time management entry.

14. (Previously amended) The hand-held calculator of claim 8 wherein a user is able to activate the application associated with the attached file and view the attached file by selecting the graphical icon.

15-21. (cancel)
